

My financial life gets better each day

My financial life gets better each day.

I am receiving an influx of abundance! Money is showing up unexpectedly. I LOVE surprise money! Abundance is coming in from multiple streams of income.

I am laying a foundation for wealth. I am prosperous. I am in the flow of increase.

My life improves daily, thanks to this increase of financial abundance. I am financially free. I have the time, money, and energy to buy whatever my heart desires, go where I want, and share with others.

I earn more money. I have excellent luck. My salary increases.

It is wonderful to notice that when I have a positive attitude, even my financial life gets significantly better.

I am good with money. I balance my accounts. I read reports on how to manage my wealth more productively.

My investments are profitable. I watch my balance get bigger and bigger as I learn more about how to invest wisely. I enjoy

looking at investments from a new perspective.

Today, I am happy. I feel blessed, fortunate, and grateful. **Money flows into my life easily and effortlessly.** I save for the future with my financial abundance. I realize now how fun it is to grow my wealth.

Self-Reflection Questions:

1. What can I do today to increase my financial abundance?
2. How can being grateful increase my wealth?
3. Where can I cultivate new skills and aptitude concerning my wealth and abundance?
