Feature Presentations

10:45 AM

Learn the Fundamentals, Gain the Benefits, and Prepare for the Future

In this discussion, we will learn the history and basics of Environment, Social, and Governance (ESG); show benefits that accrue to companies, communities, and nations; then look ahead to the future of ESG, as it evolves to better serve the bottom lines of business, government, and society

Bill Shireman, President and CEO, Future 500

Alison Taylor, Executive Director, Ethical Systems

Moderator: Indu Sharma, Co-Founder & Consultant,

Q.E.D Consulting Limited, & Chair of AMCHAM T&T ESG Committee

COFFEE BREAK (30 MINUTES)

11:15 AM

Leadership Panel – Developing an ESG Ecosystem in T&T

12:00 PM

This panel discussion is intended to understand how leaders can support and drive the development of an ESG agenda within their organisations and the national economy. It will also explore the scope and challenges of leading in an environment where leaders are expected to look beyond profits and consider measurable impact on people and the planet when setting strategy for their organizations.

- Enhancing cross-sector collaboration to drive the national ESG agenda
- Addressing challenges and seizing opportunities in ESG
- Integrating ESG into corporate strategy
- Building a national ecosystem of corporate ESG integration

Panelists:

- Bill Shireman, President & CEO, Future 500
- Gregory Hill, Managing Director, ANSA Merchant Bank Limited
- Mark Loquan, President, The National Gas Company of Trinidad & Tobago Limited
- John Hadad, Group Co-Chief Executive Officer, HADCO Group

Moderator: Indu Sharma, Co-Founder & Consultant,

Q.E.D Consulting Limited & AMCHAM T&T ESG Committee
