(2) Has inexperienced FOOD EMPLOYEES.

8-401.20 Performance- and Risk-Based. Within the parameters specified in § 8-401.10, the REGULATORY AUTHORITY shall prioritize, and conduct more frequent inspections based upon its assessment of a FOOD ESTABLISHMENT'S history of compliance with this Code and the establishment's potential as a vector of foodborne illness by evaluating:

- (3) If access is denied, a search warrant may be obtained according to LAW; and

(B) Make a final request for access.

8-402.30 Refusal, Reporting. If after the REGULATORY AUTHORITY presents credentials and provides notice as specified under § 8-402.11, explains the authority upon which access is requested, and makes a final request for access as specified in § 8-402.20 if possible, the PERSON IN CHARGE continues to refuse access, the REGULATORY AUTHORITY shall provide details of the denial of access on an inspection report form.

8-402.40 Search Warrants to Gain Access. If denied access to a FOOD ESTABLISHMENT for an authorized purpose, the REGULATORY AUTHORITY may apply for a search warrant to gain access as provided in LAW.

(3) Nonconformance with the requirements of this Code,

(4) Failure of the appropriate FOOD EMPLOYEES to demonstrate their knowledge of, and ability to perform in accordance with, the procedural, monitoring, verification, and corrective action practices required by the REGULATORY AUTHORITY as specified under §8-103.12,

(5) Failure of the PERSON IN CHARGE to provide records required by the REGULATORY AUTHORITY for determining conformance with a HACCP PLAN as specified under Subparagraph 8-201.14(D)(6), and

(6) Nonconformance with CRITICAL LIMITS of a HACCP PLAN.

8-403.20 Specifying Time Frames for Corrections. The REGULATORY AUTHORITY shall specify on the inspection report form the time frame for correction of the violations as specified under §§ 8-404.11, 8-405.11, and 8-406.11.

8-403-30 Issuing Report and Obtaining Acknowledgment of Receipt. At the conclusion of the inspection and according to LAW, the REGULATORY AUTHORITY shall provide a copy of the completed inspection report and the notice to correct violations to the OPERATOR and/or PERMIT HOLDER or to the PERSON IN CHARGE, and request a signed acknowledgment of receipt.

8-403.40 Refusals to Sign Acknowledgment. The REGULATORY AUTHORITY shall if possible:

(A) Inform a PERSON who declines to sign an acknowledgment of receipt of inspectional findings as specified in § 8-403.30 that:

(1) An acknowledgment of receipt is not an agreement with findings,

(2) Refusal to sign an acknowledgment of receipt will not affect the OPERATOR and/or PERMIT HOLDER'S obligation to correct the violations noted in the inspection report within the timeframes specified, and of receipt is not an agreement with findings,

(3) A refusal to sign an acknowledgment of receipt is noted in the inspection report and conveyed to the REGULATORY AUTHORITY'S historical record for the FOOD ESTABLISHMENT; and

(B) Make a final request that the PERSON IN CHARGE sign and acknowledgment receipt of Inspectional findings.

8-404.11 Ceasing Operations and Reporting.

(A) Except as specified in ¶ (B) of this section, an OPERATOR and/or PERMIT HOLDER shall immediately discontinue operations and notify the REGULATORY AUTHORITY if an IMMINENT HEALTH HAZARD may exist because of an emergency such as a fire, flood, extended interruption of electrical or water service, SEWAGE backup, misuse of POISONOUS OR TOXIC MATERIALS, onset of an apparent foodborne illness outbreak, gross unsanitary occurrence or condition, or other circumstance that may endanger public health. *

(B) *An OPERATOR and/or PERMIT HOLDER need not discontinue operations in an area of an establishment that is unaffected by the IMMINENT HEALTH HAZARD.*

8-404.12 Resumption of Operations. If operations are discontinued as specified under § 8-404.11 or otherwise according to LAW, the OPERATOR and/or PERMIT HOLDER shall obtain written approval from the REGULATORY AUTHORITY before resuming operations.

(B) Considering the nature of the potential HAZARD involved and the complexity of the corrective action needed, the REGULATORY AUTHORITY may agree to or specify a longer time frame, not to exceed 10 calendar days after the inspection, for the OPERATOR and/or PERMIT HOLDER to correct critical Code violations or HACCP PLAN deviations.

8-405.20 Verification and Documentation of Correction.

(A) After observing at the time of inspection a correction of a critical violation or deviation, the REGULATORY AUTHORITY shall enter the violation and information about the corrective action on the inspection report.

(B) As specified under ¶ 8-405.11(B), after receiving notification that the OPERATOR and/or PERMIT HOLDER has corrected a critical violation or HACCP PLAN deviation, or at the end of the specified period of time, the REGULATORY AUTHORITY shall verify correction of the violation, document the information on an inspection report, and enter the report in the REGULATORY AUTHORITY'S records.

8-406.11 Time Frame for Correction.

(A) Except as specified in ¶ (B) of this section, the OPERATOR and/or PERMIT HOLDER shall correct noncritical violations by a date and time agreed to or specified by the REGULATORY AUTHORITY but not later than 90 calendar days after the inspection.

(B) The REGULATORY AUTHORITY may approve a compliance schedule that extends beyond the time limits specified under ¶ (A) of this section if a written schedule of compliance is submitted by the OPERATOR and/or PERMIT HOLDER and no health HAZARD exists or will result from allowing an extended schedule for compliance.

8-501.10 Obtaining Information: Personal History of Illness, Medical Examination, and Specimen Analysis. The REGULATORY AUTHORITY shall act when it has reasonable cause to believe that a FOOD EMPLOYEE has possibly transmitted disease; may be infected with a disease in a communicable form that is transmissible through FOOD; may be a carrier of infectious agents that cause a disease that is transmissible through FOOD; or is affected with a boil, an infected wound, or acute respiratory infection, by:
