The extra hitter(s) **MUST** hit in the **TENTH, ELEVENTH and TWELFTH POSITION**. Only one (1) player may occupy each EH position per game. You may remove your EH(s) for the duration of the game at any time prior to their at-bat, without penalty. **You must notify the plate umpire prior to removal. Extra Hitters must be announced prior to the start of the game; no mid-game entry is permitted.**
- **The current batting line up can be rotated in the field defensively after the completion of the first defensive inning.**

This change must be announced to the opposing team and to the plate umpire at the time of injury.

- No pitching restrictions (coach's discretion).
- Balks will be called following Major League rules. There will be one warning per pitcher per game, until the single elimination tournament begins on Day 5. The warning will be an immediate dead ball. All balk calls after the warning will be delayed dead balls.
- Courtesy runner - A courtesy runner can be used for the **CATCHER and PITCHER of RECORD ONLY** at any time. This is not a substitution and is optional. Courtesy runners cannot be in the current lineup.
- Must slide/avoid contact rule. A player must slide or attempt to avoid contact on all close plays (umpire discretion).
- Headfirst sliding is permitted only into first, second, or third base. Headfirst sliding **IS NOT** allowed into home plate.
- A batter is not allowed to "slash bunt". A batter that fakes a bunt and then takes a full swing will be out, the ball will be dead and no runners may advance.
- Home Runs are considered a dead ball and not subject to appeal.

- Infield/outfield practice is **not permitted** on Fields 1-22 at any time.
- Teams may begin pre-game warm-ups (long toss only) **15 minutes** prior to game time.

- **ALL** Pitchers **MUST** warm up outside of each field.
- In the event of a rain delay, each team must remain in its designated dugout until otherwise notified by a Cooperstown Dreams Park Director.
- Coaches, please remind your players to respect the upkeep of the baseball fields and replace all divots and refrain from digging cleats into the infield and outfield grass areas. Umpires and Cooperstown Dreams Park staff will enforce this rule.

Cooperstown Camp Services
4550 State Highway 28
Milford, NY 13807

Cooperstown Camp Services provides all of the medical services for **Cooperstown Dreams Park**. We are delighted to welcome you and your children and wish to provide you with the information that you will need to ensure your child is able to participate while at camp. The attached paperwork is necessary, so we may comply with the New York State Department of Health which regulates **Cooperstown Dreams Park**.

The attached paperwork must be completed in full prior to arriving at camp. If your child's paperwork is not completed in full they will **not be able to participate**.

If your child has a special diet need please be sure to contact the Health Director, prior to attending Dreams Park. You can email requests to baseballoperations@cooperstowndreamspark.com.

Your coach/counselor/team contact should bring all the completed paperwork to Dreams Park, on the day of registration. The required forms must be in a 3 ring binder, organized by form type. We do not accept responsibility for paperwork that is mailed, faxed or emailed to camp prior to your tournament date.

All participants under the age of 18 (coach, player) must have the Camper Information form filled out and signed by a parent or legal guardian. NYS requires immunizations. Please attach a copy of the immunization record including: diphtheria, haemophilus influenza type b, hepatitis b, measles, mumps, rubella, poliomyelitis, tetanus and varicella (chickenpox).

All participants under the age of 18 (coach or player) must have the Camper Examination and Medication page filled out and signed by a Licensed Health Care provider, which can be an M.D., Nurse Practitioner, or Physician's Assistant. Exam must be completed within one year of your tournament date.

A copy of a recent physical is acceptable if completed within one year, but a Licensed Health Care provider still needs to fill out and sign the Camper Examination and Medication form in regards to over the counter and prescribed medications that a camper may require while at camp. Over the counter medications will be dispensed only when there is a Registered Nurse on duty.

Cooperstown Dreams Park does not accept religious or belief immunization waivers or exemptions. Medical waivers or exemptions must be submitted prior to arrival and will be approved on a case by case basis.

Cooperstown Camp Services provides a controlled environment for your child to obtain his or her medications. These medications are logged into the infirmary at registration. Medications are labeled and placed in individual zip lock bags, which are stored in locked cabinets or refrigerated, in a locked room. Each time a child comes in for medications it is entered into a computerized medication administration log, individualized for each camper. If your child does not come in to take his or her medication, the staff **may** place a reminder on the clubhouse door. New York State requires that all over the counter or prescription medications brought to camp be locked and secured in the infirmary. The only exception to this rule is emergency medications which will be individually discussed with a child's parents and one of the Camp Health Directors.

All medications must be in the original containers. All prescription medications must be in the original container with the original pharmacy label containing the child's name.

Cooperstown Dreams Park regards the health and safety of all participants and guests to be of paramount importance. We strive to protect all of our guests, and to provide the services that are wanted by our participants and families.

We receive many inquiries regarding allergies, especially peanut allergies. We have developed policies and procedures regarding prevention of allergy problems at Cooperstown Dreams Park.

- The menu which is served in the Dining Pavilion is carefully screened to be certain that there are no peanuts or peanut oil in any of the menu items. This menu, and a list of all ingredients, is available for any coach or parent to see.
- The only peanut butter sandwiches we serve are the Smucker's Uncrustable Sandwiches. These are available in the Dining Pavilion for players and coaches during the lunch meal service.
- The Dining Pavilion is very large, and we can accommodate a team that desires to be seated away from other teams to prevent an allergic participant from being seated close to another team. One area of the Dining Pavilion has been set aside as a "nut free" area. This area will be cleaned with Clorox on a regular basis.
- Our snack shacks sell Snickers, Reese's, Smucker's Uncrustable Sandwiches, Cracker Jacks, and Drumsticks ice cream cones. Participants should be able to recognize these products and keep away from any of them that they should not ingest or touch.
- Dugouts are swept between games. In the event that peanuts are identified, the dugout will be re-swept to accommodate players with nut allergies.
- The Dreams Park Infirmary is very close to the Dining Pavilion. The staff of the infirmary have epi-pen training. Some medical field personnel are circulating throughout the park while the games are in session.
- The closest hospital is Bassett Healthcare which is 5 miles away from the park.
- Any child who comes to Cooperstown Dreams Park with an epi-pen should keep the epi-pen with them at all times. The child's coaches should be aware of the child's allergies and the potential need for the use of the epi-pen.
- All participants are required to leave their medications in the infirmary, with the exception of the epi-pens and rescue inhalers, which should be with the participant at all times.
- Ice for medical needs is not available from the snack shacks, it will be issued via our medical staff.

Cooperstown Dreams Park has an Infirmary that is staffed 24 hours a day by New York State Certified Emergency Medical Technicians and by Registered Nurses during designated times. The medical staff cares for all teams, family members, umpires, and guests while on the camp grounds. Any team member or guest requiring care that is not available at the Infirmary will be referred to the local emergency department or urgent care center.

If you have any questions about the enclosed health forms or medications to be dispensed at camp please feel free to email us at baseballoperations@cooperstowndreamspark.com.

We look forward to seeing you and your child at **Cooperstown Dreams Park**.
