

Detoxifying Pore Treatment

Clear pores, smooth skin, and reduce sebum production with this gentle and effective pore detoxifying treatment. This peel alternative delivers instant results, as well as long-term skin-clarifying benefits.

Key benefits

- ✓ Reduces sebum production and shine
- ✓ Minimizes the appearance of pores
- ✓ Time-released AHA blend gently boosts skin exfoliation

Key ingredients

- + **Enantia Chlorantha Bark Extract and Oleanolic Acid** – reduce sebocyte proliferation and sebum secretion. Use of this blend leads to a visible tightening of pores and reduction in shine.
- + **Ethyl Linoleate and Hexylresorcinol** – inhibit the enzyme 5- α -reductase to reduce oil production and breakouts while also reducing post-inflammatory hyperpigmentation.
- + **Glycolic, Lactic, and Citric Acids** – gently boost skin exfoliation with time-release technology.
