

Graduate Student Association Monthly E-Newsletter August 2023

News & Services

July 2023 Special Meeting Vote Results

The motion "BIRT the University of Waterloo Graduate Student Association (GSA-UW) votes to remove [unresponsive director] from the GSA-UW board of directors for violating by-law 5.4.0(b)" passes with 87% of valid ballots in support of the motion (note that the name was published in full on the ballots). Further details are available in the announcement posted on our website, which you can read [here](#).

Volunteer with the GSA!

Do you want to help with **Graduate Student Orientation**? Fill out [our volunteer form](#) to send along your contact information. All events will have food and other perks for volunteers!

Call for sellers for August garage sale

Are you graduating soon or just graduated? Want to get rid of things you no longer need? Fill out [this registration form](#) to be a garage seller on August 22, 1:30- 3:00 pm ET. The form is open **until August 16**.

Learn more about the Collaborative Aeronautics Program (CAP)

The Collaborative Aeronautics Program (CAP) is a new approach to Master's and Doctoral studies in aeronautics. Apply directly to your chosen program and select the Aeronautics. You'll complete degree requirements in your home unit

and aeronautical training alongside CAP students from other fields. Learn more about the CAP program [here](#).

Soapbox Science Hamilton 2023

Soapbox Science is a novel public outreach platform for promoting women and non-binary scientists and the science they do. You can have the opportunity to share your science at a booth at the Telling Tales literary event that will happen in Hamilton on Saturday, September 16 and Sunday, September 17. You can find more details and instructions on how to sign up [here](#). Registration will be open **until August 16**.

Jobs and Opportunities

Job Opening: Student Equity Consultant

Co-operative and Experiential Education (CEE) is looking to hire students with lived experiences from equity-deserving groups to share feedback on CEE processes and initiatives. The job description and application process can be found [on WaterlooWorks](#).

Job Opening: CERC's Capstone Assessor

The Co-operative Education Research Certificate (CERC) Capstone presentation is a milestone that students must complete in order to receive the CERC designation on their degree. The Capstone presentation is an opportunity for students to demonstrate their proficiency in a series of researcher skills and the autonomy with which they demonstrate them. The CERC Assessor is responsible for assessing student presentations and providing them with feedback. Find more information about this position [here](#).

Events
