The Honorable Brad Little  
Governor, State of Idaho  
State Capitol  
PO Box 83720  
Boise, Idaho 83720

Dear Governor Little,

It is with a sense of reluctance that I write this letter of resignation from my position as the Bannock County Commissioner from District 2.

I have strived to serve in this capacity with dedication and full effort. My fellow commissioners and I have provided a more available government structure to our employees and the public. We have introduced workforce and economic efficiencies which will, in the coming years, reduce the financial burden of property taxes required from our citizens. While we may have not always agreed on a particular point or issue, Commissioners Tovey, Moser and I have endeavored to be public servants in the truest sense with a common mission: to build a stronger sense of value in our employees and to reemphasize government's role as servants of the public.

While I am saddened to be ending this portion of my service in Idaho, I am looking forward to serving as the Director of the Alaska District Office for the U.S. Small Business Administration. In this moment of economic disruption, I am eager to lend my efforts to the SBA's mission of maintaining and strengthening our nation's economy by enabling the establishment and viability of small businesses.

As you are fully aware, Bannock County has been my home for my whole life and means a great deal to me. In contemplating my replacement, please consider carefully individuals who will continue the progress we are making to hold our local government to a higher standard.

This resignation will be effective June 5, 2020.

Sincerely,

A handwritten signature in blue ink that reads "Steve Brown".
