What you need to know:

1. It is a good idea to visit the farm before your date to become familiar with the property and decide where your photo sessions will be. This will make it easier for you to direct your clients to where you have set up. Locations of the photo sessions will depend on the Harvest Cutting Field for this year.
2. If your plans change and you will not be coming to the farm, we ask that you let us know before your scheduled date.
3. **We require full payment to be made at least 2 days prior to your scheduled day via e transfer. The following email can be used merryfarmsinc@gmail.com.**
4. Please make sure your clients have a contact number to reach you if they can't find you.
5. Please make sure your clients park in designated areas only, these areas will be emailed to you prior to your day.
6. There will be bathrooms available over by the store.
7. The Christmas Store will be open from 10-4 during your sessions. Coffee, Hot Chocolate and Baked Goods will be available for purchase.
8. We will have an employee patrolling the farm to make sure people are parked in designated areas only.
9. On our busy weekends where we have many photographers please be thoughtful when setting up where your sessions will be based on others that have arrived before you.
