

Dear Friends and Neighbors,

On behalf of the Oak Hill Elementary (OHE) Parent Teacher Association (PTA), we would like to invite you to become a Community Partner for the 2025-2026 school year. The financial support we receive from our community partners is invaluable to helping the OHE PTA provide financial support, assistance, and enrichment to the OHE campus. Your support of our school will not only make a lasting impact on the education of our students, but allow you the opportunity to promote your business in a unique way to a wide array of families in the Southwest Austin area.

OHE is a beautifully diverse and vibrant school community. However, with roughly half our students qualifying as economically disadvantaged and funding from the school district spread thin, additional funding is needed to provide the supplies, programs, enrichment opportunities, and services needed to allow OHE's students to fully flourish. For over 40 years, the OHE PTA has partnered with local businesses to achieve its goal of bridging this funding gap, and we would love to include you on this list of partners for the coming year.

But supporting OHE by becoming a community partner does not just benefit the school. Our community partner businesses also gain valuable exposure to OHE families and the greater Southwest Austin area. Notably, our school enrolls roughly 650 students each year. This far-ranging community of students and their families choose to frequent the businesses who give back to our school community. The attached outline of sponsorship levels lists the various promotional opportunities your sponsorship could gain for your business. Donations are also tax-deductible as the OHE PTA is a recognized 501(c)(3) organization.

The attached pages contain more information about how you can sign up as a sponsor for the coming year. Thank you for considering this request. We are available to discuss any questions at your convenience.

Sincerely,

**Kaycee Crisp
OHE PTA Community Partners Chair
