Racquetball Canada Hall of Fame
Acceptance Remarks
May 2022**

Good evening all!

Ken truly loved racquetball from the first time he played in Regina with a cut down tennis racquet. What a long way the sport has come!

Many friendships were formed over the intervening years. It was a fun experience for both of us. One of the prime times was the annual Klondike Tournament in Edmonton.

Myself and our family are all so proud of Ken and our partners for their efforts to establish and encourage racquetball in Canada.

To those who put Howard Rankin, John Kempo & Ken Wilson forward to be inducted into the Canadian Racquetball Hall of Fame, my sincere thanks.
