

2023 SANTIAGO PAN AM GAMES SELECTION CRITERIA

- This purpose of this document is to set out the process and criteria that will be used by Racquetball Canada to select athletes to the Santiago 2023 Pan Am Games team.
- The Canadian 2023 Pan Am Games Team will be selected by Racquetball Canada's High-Performance Committee based on the point standings system in this criterion with final approval from the Board of Directors.
- During the actual competition period onsite at the 2023 Pan Am Games, all final decision-making authority will reside with the head coach or the team leader in the absence of the head coach.
- The team size for the 2023 Pan Am Games will be determined by the *International Racquetball Federation* qualification process.

1. General Criteria

To be eligible for the Santiago 2023 Pan Am Games all athletes must:

- a) Be a Canadian citizen.
- b) Have a valid Canadian passport that does not expire on or before May 5, 2024.
- c) Be a member in good standing of Racquetball Canada.
- d) Be in compliance with all relevant International Racquetball Federation and PASO requirements for eligibility.
- e) Sign, submit, and comply with the COC Athlete Agreement and Organising Committee (OCOG) Conditions of Participation form (Eligibility Conditions form for Pan American Games) no later than September 15, 2023. Where the athlete is under the age of 19 years, the parent or guardian must also sign these agreements.

2. Specific Criteria

- 2.1 The Men's Team for the Santiago 2023 Pan Am Games will be selected using the following process:
 - 2.1.1 The first selected male athlete will be the top Canadian male on the International Racquetball Tour (IRT) who is ranked in the top 12 as of the Wednesday immediately following the 2023 Racquetball Canada National Championships. If multiple athletes are in the top 12 on the IRT they will be selected in ranking order to the Pan Am Games team to a maximum of 3 athletes. If no Canadian athletes qualify from the IRT then the selection will be based solely on the 2023 Pan Am Games *Point Standings* and the first selected athlete will be the top qualifier from the Point Standings.
 - 2.1.2 The second selected male athlete will be the next top male athlete qualifier based on the 2023 Pan Am Games *Point Standings*.
 - 2.1.3 The third selected male athlete will be the next top male athlete qualifier based on the 2023 Pan Am Games *Point Standings*.

- 2.2 The Women's Team for the Santiago 2023 Pan Am Games will be selected using the following process:
- 2.2.1 The first selected female athlete will be the top Canadian female athlete on the Ladies Professional Racquetball Tour (LPRT) who is ranked in the top 12 as of the Wednesday immediately following the 2023 Racquetball Canada National Championships. If multiple athletes are in the Top 12 on the LPRT they will be selected in ranking order to the Pan Am Games Team to a maximum of 3 players. If no Canadian athletes qualify from the LPRT then the selection will be based solely on the *2023 Pan Am Games Point Standings* and the first selected athlete will be the top qualifier from the Point Standings.
 - 2.2.2 The second selected female athlete will be the next top female athlete qualifier based on *2023 Pan Am Games Point Standings*.
 - 2.2.3 The third selected female athlete will be the next top female athlete qualifier based on the *2023 Pan Am Games Point Standings*.

3. Position Selection Process

- 3.1 The top qualifying male and the top qualifying female athletes receive the first opportunity to choose whether to play singles and/or doubles and/or mixed doubles at the Pan Am Games.
- The second qualifiers have the second opportunity to choose divisions based on selections from the top qualifying athlete. If the top qualifier chooses to play 3 divisions, the second qualifier may choose to play one division: singles or doubles. If the top qualifier chooses to play 2 divisions, the second qualifier may choose to play up to 2 divisions: singles and/or doubles and/or if available mixed doubles. If the top qualifier chooses to play 1 division the second qualifier may choose to play up to 3 divisions: singles and/or doubles and/or, if available, mixed doubles but must play doubles if the top qualifier has not chosen to do so.
- The third qualifiers must play any remaining divisions to fill all spots on the team.
- 3.2 If the team size due to IRF quota is two athletes, the top qualifying male and female athletes must play singles and doubles and will have the option to play mixed doubles.
- The second qualifiers must play singles and doubles and mixed doubles if the top qualifying athlete opts out of mixed doubles.
- 3.3 It is assumed these decisions will be made following discussions with the coaches and other athletes attending the Pan Am Games.
- 3.4 If a selected athlete does not attend, they will simply be stricken from the list and replaced according to the Pan Am Games Points Standings.
- 3.5 The Head Coach will decide the roster for the Team Event after consultation with the team staff and athletes.
- 3.6 If fewer than three athletes can attend after asking any pro tour qualifiers and the top 6 qualifiers from the *2023 Pan Am Games Point Standings*, Racquetball Canada will send a team of less than three athletes for each gender. If less than two men or women want to

attend the tournament, Racquetball Canada will decide if they will select another athlete to complete the team using the *2023 Pan Am Games Point Standings*.

- 4.6 If two or more athletes have the same amount of points the athlete with the highest status in Racquetball Canada's ranking, after the last selection event is processed, will be considered the top athlete in terms of standing points.

5. Exemptions Clause

- 5.1 If an athlete is injured prior to starting a selection event and is therefore unable to play in the current selection event, the athlete can submit an exemption request. A note from a doctor or a physiotherapist, confirming the injury, needs to be sent to the High-Performance Director no later than 21 days after the first day of the event for which the exemption is being requested. There will be no consideration for an injury exemption after the deadline date.
- 5.2 If a circumstance other than an injury prevents an athlete from attending a Racquetball Canada selection event, the circumstances can be submitted to the High-Performance Committee for evaluation. The procedure for requesting a non-injury exemption is as follows:
- 5.2.1 Any request for a non-injury exemption from a Racquetball Canada event should be submitted to the High-Performance Director no later than seven days after the first day of competition of the event for which the exemption is being requested. There will be no consideration for an exemption after the deadline date.
 - 5.2.2 The request must be made in writing stating the circumstances with supporting evidence emailed or mailed to Racquetball Canada's office.
 - 5.2.3 In the event of exemption requests for school or exams, a note from the administration or teacher/professor must be submitted with the request.

- 5.2.4 The High-Performance Committee will evaluate all requests and deliver its decision in writing.
- 5.3 Ranking results of an approved exemption:
 - 5.3.1 If the draw size is 13 players or more, the exempted athlete's placing will be finalized at 3 positions lower than their placing at the previous event in the same discipline.
 - 5.3.2 If the draw size is 12 or less, the exempted athlete's placing will be finalized at 2 positions lower than their placing at the previous event in the same discipline.
 - 5.3.3 An exempted athlete may only be placed one spot lower than the number of athletes/teams in the draw at the start of the event.
- 5.4 Once the athlete has started their first game in the current National Team Selection Event, their resulting position will be determined without any bearing on previous National Team Selection Events.
