1. General Criteria

To be eligible for an International Traveling Team all athletes must be:

- b) A fully paid member of Racquetball Canada and in good standing;
- c) Able to meet the International Racquetball Federation's requirements to represent Canada at International events;

2. Specific Criteria

- 2.1 The Men's Team for the 2024 Pan American Championships will be selected using the following process:
 - 2.1.1 The first selected male athlete will be the top Canadian male on the International Racquetball Tour (IRT) who is ranked in the top 12 as of the Wednesday immediately following the 2024 Winter National Team Selection Event. If multiple athletes are in the top 12 on the IRT they will be selected in ranking order to the World Championships team to a maximum of 3 athletes. If no Canadian athletes qualify from the IRT then the selection will be based solely on the *2024 Pan American Point Standings* and the first selected athlete will be the top qualifier from Point Standings.
 - 2.1.2 The second selected male athlete will be the next top male athlete qualifier based on the *2024 Pan American Championships Point Standings*.
 - 2.1.3 The third selected male athlete will be the next top male athlete qualifier based on the *2024 Pan American Championship Point Standings*.
 - 2.1.4 The fourth selected male athlete will be the next top male athlete qualifier based on the *2024 Pan American Championship Point Standings*.
- 2.2 The Women's Team for the 2024 Pan American Championships will be selected using the following process:
 - 2.2.1 The first selected female athlete will be the top Canadian female athlete on the Ladies Professional Racquetball Tour (LPRT) who is ranked in the top 12 as of the Wednesday immediately following the 2023 Winter National Team Selection Event. If multiple athletes are in the Top 12 on the LPRT they will be selected in ranking order to the Pan American Championships Team to a maximum of 3 players. If no Canadian athletes qualify from the LPRT then the selection will be

based solely on the *2024 Pan American Championships Point Standings* and the first selected athlete will be the top qualifier from Point Standings.

- 2.2.2 The second selected female athlete will be the next top female athlete qualifier based on *2024 Pan American Championships Point Standings*.

3. Position Selection Process

- 3.1 Any athlete who is in the Top 12 in either the men's or women's Pro Tour **double qualify**. The top male and top female according to the *2024 Pan American Championship Point Standings* also double qualifies provided they are the 2023 Canadian National Doubles Champion. Double qualifying means they have the option to play two divisions of their choice (singles, doubles, mixed doubles). First option will go to the highest ranked player on the pro tour, then the second highest ranked player, and then if still feasible the third highest ranked player and then the top player in the Point Standings.
- 3.2 If there are no double qualifiers the top qualifying male and the top qualifying female athletes receive the first opportunity to choose whether to play singles or doubles at the Pan American Championships. The second qualifiers have the second opportunity to choose whether to play singles or doubles and the third qualifiers receive the third opportunity.
- 3.3 The top qualifying male and female athletes will also receive first opportunity to choose whether to play Mixed Doubles or opt out. The opportunity will be given to remaining qualifiers in order as necessary until a mixed doubles team is formed.
- 3.4 Any qualifying athlete may only choose to play a maximum of two divisions according to the parameters in 3.1, 3.2 and 3.3.
- 3.5 It is assumed these decisions will be made following discussions with the coaches and other athletes attending the Pan American Championships.
- 3.6 If a selected athlete does not attend, they will simply be stricken from the list and replaced with the next athlete on the Point Standings.
- 3.7 The Head Coach will decide the roster for the Team Event after consultation with the team staff and athletes.
- 3.8 If fewer than four athletes can attend after asking any pro tour qualifiers and the top 6 qualifiers from the *2024 Pan American Championships Point Standings*, Racquetball Canada will send a team of less than four athletes for each gender. If less than three men or women want to attend the tournament, Racquetball Canada will decide if they will select another athlete to complete the team using the *2024 Pan American Championships Point Standings*.
