

Material and Fabric Cutter

Salus Marine Wear is a growing manufacturer in the sporting goods industry. We have an opportunity for a full time Industrial Material Cutter to join our team in Waterloo. The ideal person will have a positive attitude, be responsible, dependable, have excellent manual dexterity and be able to lift up to 35 lbs.

Essential Duties and Responsibilities

- Ability to place patterns on top of layers of fabric to cut fabric following patterns, using electric cutters safely at required productivity rates.
- Pre-inspect textile for defects prior to cutting.
- Be comfortable cutting different types of materials such as cordura, nylon, foam
- Adjust cutting techniques to types of fabrics and styles of garments.
- Inspect machinery to keep up maintenance and repairs.
- Ability to work independently and to carry out assignments to completion within parameters of instructions given.
- Meet deadlines, while providing exemplary detail to work.

Experience is an asset but we are willing to train the right person.

Why Should You Apply

- Fulltime
- No weekends; Monday-Friday day shift
- Benefits package after three months
- Flexible, dynamic, and fun team working environment
- Monthly Bonus
