

Sorry for the delay, your gift is still on its way!

Dear _____,

You have given me so much in the past like

_____ and

that I wanted to give you a special gift.

I truly believe that this will help you create the life you've always wanted!

Right now the small business that I bought it from is having delays, but never fear they are doing whatever they can to get your gift to you as soon as possible!

I hope you enjoy it when it arrives!

X,
