DOWNTOWN CORE - EL CENTRO**

Downtown San José del Cabo is especially known for its vibrant art scene, with numerous galleries showcasing works by local, national, and international artists. Along the Gallery District near Plaza Mijares, you'll find spaces featuring contemporary paintings, sculptures, photography, glass art, and traditional Mexican crafts, often with artists present to discuss their work. During the weekly Art Walk, the streets transform into an open-air gallery, with live music, wine tastings, and pop-up exhibits that create an inspiring, creative atmosphere.
