Gears of War Ultimate Edition (GODEP) Free Download PC Games Android, PlayStation. Just a few days ago, the publisher released the free version of Gears of War 4 for PC users. Gears Of War 4 Windows: 12.5 GB Mac: 13.5 GB Due to the extreme size of this game, and the time-consuming nature of running the in-game content, in 2012 Electronic Arts released a special version of the game for PC. Known as the Digital Deluxe Edition of Gears of War 4, this version also offers access to the Special Edition downloadable content that was released at a later date. It has the exact same install size as the normal copy. In addition, players can download, via the Xbox Live client or through the retail disc, the "Gears of War 4: Ultimate Edition Soundtrack". A digital version of the soundtrack can be purchased on iTunes. Gears of War 4: Ultimate Edition sounds better than the Xbox 360 version, with higher resolution textures and a more organic distribution of the Dolby Digital 5.1 soundtrack. Background and release On December 10, 2011, an Entertainment Weekly article has named Gears of War 4 as the most anticipated game of 2012. This was followed by a statement from the game's director Rod Fergusson that the game will likely be released on PC, rather than as an Xbox 360 disc. In January 2012, Fergusson stated he was disappointed with the way the Gears of War series was being 82138339de
