What's New in the Beatles Forever?

Beatles Forever is an informative app that lets you learn about the Beatles and all of their activities. Its content includes everything from information about their band history to comments about different subjects. The Ultimate Beatles Book 2 is all about the Beatles. It contains over 30,000 words, 200 images and is one of the largest Beatles books ever made. With newly-expanded information it is all about the sixties, the originals and their era. If you want to know more about the history of the Beatles, this book is for you. While my other answer tries to debunk the idiotic claim that the Beatles might be liars, however, that doesn't change the fact that the documentary The Beatles: The First BBC Television Special was taped at BBC's Lime Grove Studios on June 25, 1964, the first day of the Beatles' first ever American television appearance.
