

The Encyclopedia Britannica, Eleventh Edition (1910–1911), is a 29-volume reference book. About 14% of the authors (214 out of 1,507) were from North America. A significant part of those who renounced their old versions of biblical Christianity were active participants and creators of new ones. The book of H. Werneck, a German Protestant theologian, was published in 1815. The book was intended for British soldiers and officers, preachers and clergy, so that they "acquired the knowledge necessary for missionary work in enemy lands." H. Werneck systematized this knowledge in a scientific-critical work. The book is based on works and works. German and English theologians, scientists, reformers, economists. This encyclopedia is the most comprehensive reference book on Protestantism in Europe, and it is no coincidence that this reference book was called the "Great Encyclopedia". The work of H. Verken covered not only the history of the Old Testament, but also events in world politics, economics, and art. For the 120th anniversary of the publication of the encyclopedia, we offer the following compilation of knowledge and information: History of the Church. The Catholic Encyclopedia (1997), contains biographical information about 75 bishops, 121 political bishops, 263 archbishops and reforming archbishops, 45 bishops and sanhedrin bishops, 866 bishops from different countries and 258 from Canada, 146 monasteries, about 4000 abbots and hermits, more than 250 hundreds of priests and about 3 thousand laity. Catholicism. Encyclopedia. Volume II. In 4 books, 7th edition. M. EKSMO, 1998.
