

Manali:-The Heart Of Himalayas

Kullu Manali offers a blend of adventure and tranquility, and with its soothing backdrop of the Himalayas, it accounts for one of the top hill stations in India. Manali is also a famous destination during summer and winter. Apple orchards, lush green forests, mountains, and valleys look so green and beautiful during summer. But in winter, the same places are covered with a thick carpet of snow. The [Manali Honeymoon Package](#) is the best source of entertainment to experience real life adventure.

Places To Visit In Manali:-

Jogini Waterfall:-

Jogini Waterfalls can be reached by trekking from Vashisht Temple, and it's one of the popular places to visit in Manali. With a height of about 150 feet and a small pool at the base, visitors can take a plunge in the water and make some happy water memories. The trek route passes through a narrow lane adjacent to the Vashisht temple and goes through a lane of apple orchards, tall pine trees, and small water streams in [Manali Couple Tour Package](#).

Manali Sanctuary:-

Manali Sanctuary offers you an unparalleled wilderness experience and is located at a small distance of just 2 km from the town. Maple, walnut, poplar, willow, and deodar groves add extra allure to this sanctuary, especially in the autumn months when the leaves create an array of colors. Spread in a massive 3180 hectares of area, you can catch sight of a number of endangered species like Himalayan Black Bear, Barking Deer, Himalayan Yellow-throated Marten, Flying Fox, Himalayan Palm Civet, and more during your visit [Honeymoon Manali Tourism](#).

Bhrigu Lake:-

Bhrigu Lake is one of the many lakes in Manali. This high-altitude lake is famous for the Bhrigu Lake trek is one of the best treks in Himachal Pradesh. Situated at an elevation of around 4,300 meters, it is located to the east of Rohtang Pass and is around 6 kilometers from Gulaba village. The scenery and panoramic views of the Pir Panjal Range are what draw most visitors to this place. The high location of Bhrigu Lake and the meadows surrounding the lake are best for hiking in [Manali Tour Package for Couple](#). One of the most interesting things about Bhrigu Lake is that it never freezes completely in winters.
