BERICHT DES PRÄSIDENTEN

Dear club members and friends,

I know we have not chatted or seen each other in a long time, and I thought that it was time we update you again.

The Covid-19 Pandemic has certainly changed our lives in a significant way. Some people have lost their jobs, some people are now working from home, many people have not had the chance to hug loved ones for a long time, we can't socialize together like we would like to, and sadly this Pandemic has also taken lives. Our thoughts and prayers go out to the families that have lost loved ones or are dealing with someone who has fallen ill with the virus. The latest reports

from the local Health experts indicate that apparently, we are handling this crisis correctly as the number of new and active case of Covid-19 keeps getting lower and lower. Please continue to follow the guidelines set out and stay safe. When this is over we can all get together again, hug our family and friends and dance the night away.

The members of this club are a tight-knit group and are one large family. Let's not forgot our family and try to keep in touch, whether through social media, emails, phone calls or even visiting where possible while maintaining the correct social distancing. Some of our members are not able to get out or engage in social media, so let's keep them in mind and stay in touch with them.

As you know, we have had to cancel many events that were on our calendar due to the pandemic, including our Annual General Meeting back in March when this all started. When we cancelled the

AGM in March, we were hoping that perhaps we could hold that meeting in the fall, however I believe we need to think about our members safety above all else and hold off calling the meeting. A decision will be made in due time and will obviously be determined by how the pandemic is being controlled. Other German Club events have also been cancelled which unfortunately did not allow our newly crowned Miss Transylvania 2020, Breanna Gondosch, to partake in any activities or represent our club anywhere. The youth group and board of directors have decided that it would only be fair to let Breanna stay on as Miss Transylvania 2021 and hopefully have a more fun and enjoyable year. Many of the other German clubs and Oktoberfest Inc. have decided to do the same with their Misses.

This summer has been unusually hot and humid. I know the air conditioning at our home has been working overtime. Hopefully that situation will ease off soon, but in the meantime remember to stay hydrated and limit your time working outdoors. Now that they are home more, many people are now getting to those renovation projects that they had been putting off. I guess that is a positive note during these difficult times. Although trying to buy lumber and renovation supplies can be difficult. Doing things that make you happy and having a positive outlook will help us get through these times.

This pandemic certainly has changed how we do day to day things. I can't count how many times I got out of my car recently and started walking toward a store or business and then had to stop and

The Piller's logo, which includes a house illustration and the text 'EST-1957 Piller's', is in the top left. The slogan 'ist wunderbar!' is written in white on a dark blue background. At the bottom, it says 'Proud supporter of KW Oktoberfest' and includes a circular seal that reads 'ALLERGEN FREE' and 'SANS ALLERGENES' with a checkmark.

go back to the car to get my mask that I forgot in the car. Walking through the grocery store wearing a mask takes some getting used to, but it is necessary. Trying to recognize people when they are wearing masks can also be difficult, so if you see someone you know, maybe wave, and say hello, because they might not have recognized you. I believe it is a small price to pay if it helps in reducing and perhaps even eliminating the Covid-19 problem. It is nice that those restrictions have been loosened somewhat and we can now meet friends at a restaurant and enjoy a meal together. I do miss not being able to travel to the US to visit family but until they get a handle on this situation, I think it is best to stay on this side of the border.

Since we are not participating in Oktoberfest this year, we have 35 trays of our very own delicious pigtales that we must sell, with members having first opportunity to purchase them. There are approximately 12 pigtales per tray and there will be a limit of 2 trays per household. The price is \$25 per tray. To order, please call Else at the office at 519-744-1191 and leave a message with your name, number and how many trays you would like. Please call ahead to reserve your tray(s) as it will be on a first called/first served basis. Pickup of your pigtales will be at the Alpine Club on Wednesday, September 30th between 5 pm and 7 p.m. Payment must be by cash or cheque.

Aylmer has cancelled their annual Trachtenball in November. Hopefully we will be able to have ours

in March and the Saxonia members will be able to join us to celebrate.

All German club presidents are in constant contact with each other, trying to figure out how we are all going to go forward with our functions when we are given the go ahead. More information will follow when plans are in place.

We are hoping that maybe by Christmas, or early in the new year we could start having events again. Of course, that will be determined by how well we are able to handle this pandemic. Heimattag in Salem, Ohio and the visit by the group from Traun had to be cancelled as a result of the pandemic, however the plans are to hold that event at the same location in 2021. We will keep you posted as these situations unfold.

Please stay safe and take care of each other.

LANDSMANNSCHAFT

Liebe Mitglieder und Freunde,

As we celebrated New Years with family and friends no one would have thought of what was going to happen to all of us worldwide. "Covid-19" - the disruption and death that this disease has caused across the world will be felt for decades and we still do not have a vaccine/cure. When our ancestors were forced to flee Siebenbürgen in 1944 they saw and heard the sounds of war. Covid-19 is silent and invisible.

All of our planned Saxon on ground celebrations that were to take place after March 2020 have been cancelled. The Heimattag in Dinkelsbühl May 29th to June 1st was done virtually (the personal interaction is missing). The Kulturaustausch with the band and dance group from Traun, Austria visiting Canada and the USA was cancelled. The Heimattag in Salem, Ohio scheduled for July 10th to 12th was cancelled. Going forward into the fall the German Pioneers Day, the Oktoberfest Parade, Trachtenball in Aylmer on November 7th and the Volkstrauertag are all cancelled. The annual Landsmannschaft general meeting will also have to be postponed to 2021. All our Untergruppen practices for the children's group, youth group, band and choir are cancelled. The comradery and personal interaction that these gatherings/practices give us is something that we all miss very much.

We must remain positive as our situation will get better and when our Untergruppen practices and club functions again start up, we need to aggressively rally our people to again attend our functions and support our Siebenbürger Heritage.

On a positive note, Heimattag 2021 has been scheduled to take place in Salem, Ohio on July 9th, 10th and 11th. We hope to also be able to reschedule the Kulturaustausch with the band and dance group from Traun, Austria to coincide with the Heimattag in Salem.

I would like to congratulate Denise Aeling Crawford the newly elected President of the Alliance of Transylvania Saxons in the USA. Denise has been on the ATS board since 1989 and was elected treasurer in 1999. Denise has been involved in and supports our Saxon cultural programs. Denise, the Landsmannschaft in Canada looks forward to working with you on our North American Heimattag and international Jugendlager and Kulturaustausch programs.

I would also like to thank outgoing President Joan Miller-Malue for the good work that she has done. Joan started working at the ATS home office 49 years ago and has been a board member for 45 years. Joan has filled and held many positions; she was hired full-time as Financial Secretary in 1972, became the Home Office Manager on January 1, 1984 and was elected ATS President in May 2016. Joan, we thank you for your many years of dedicated service to the ATS and the support of all Saxon programs, Youth and Kulturaustausch worldwide. It has always been a pleasure to work with you. We wish you good health and all the best in your well-deserved retirement.

Am 8. August feierte Dr. Wolfgang Bonfert seinen 90. Geburtstag.

Die Föderation der Siebenbürger Sachsen verleiht an Dr. Wolfgang Bonfert den Ehrentitel EHREN-PRÄSIDENT für besondere Verdienste um die Gemeinschaft der Siebenbürger Sachsen weltweit insbesondere in seiner Eigenschaft als Präsident der Föderation der Siebenbürger Sachsen .

Die Landsmannschaft in Kanada gratuliert Dr. Bonfert und wünscht Ihm gute Gesundheit und viel Freude im Kreise seiner Familie und Freundschaft.

Im Namen der Landsmannschaft der Siebenbürger Sachsen in Kanada wünsche ich allen Mitglieder und Freunde nah und fern alles gute.

GERMAN PIONEERS' DAY

Dear members of the German clubs and friends dear sponsors and volunteers,

As chair of the Arbeitsgemeinschaft (Co-operative Council of German Clubs of Waterloo Region) and the chair of the German Pioneers Day in Kitchener from 2005 to 2019 I feel it is my duty to inform all interested parties that this year there will not be a German Pioneers Day ceremony at City Hall. This is the first time in twenty years that this event will not take place. Among other factors the current Corona crisis did not allow the intimate contacts necessary to prepare the profiles of the nominees.

We sincerely thank all the sponsors that enabled us to fund this event and all the volunteers who made it happen. Although I cannot name all of them, I feel I must call out some of them because their help was instrumental for the success we have enjoyed year after year.

Helene Schramek was tireless in fundraising, communication, and organizing the mechanics of the event until last year. Werner Schlueter prepared the financial statements and with his team of helpers made sure the flags of the German counties were displayed at the Rotunda. Judy Penteker researched our county for significant milestones of individuals, businesses, and organizations for selection of the organizing committee. Ernst Friedel inspired all with valuable advice, by sponsoring the event, and by designing the plaques. Jake Liebel designed the layout of all our brochures and edited them. Joe Liebel single-handedly filled Helene's shoes by managing all communication, and organization as well as printing the brochures. If you have time, please review the speech that Wayne Wettlaufer gave to our provincial parliament in 1999 that led to the declaration of German Pioneers Day. We are all indebted to him for his detailed research and diligence. You will find his speech at:

<https://www.youtube.com/watch?reload=9&v=jbXr9qbZpwg> or

on the website of the German-Canadian Congress <https://www.dkkont.org/>

I sincerely hope that this event will be revived again after the construction projects around City Hall have been completed and a new group of volunteers has stepped up.

We hope we can count on everybody's support at that time.

VOLKSTRAUERTAG

There will be no large scale event at Woodland Cemetery nor will there be a social gathering at one of the German Clubs. We will however adorn the Soldiers Graves with the small wreaths and ribbons as we have in past years. The Remembrance Society will lay a large wreath as in the past and will place all other wreaths that we have in storage. We encourage all other organizations who have laid wreaths in the past to do so again this year. There will be a member of the Society at the Cemetery all day to assist if and when required.

If you have any questions, please contact me by e-mail at uwschlueter6@bell.net.

TRANSYLVANIA CHOIR

Like everybody else we feel very much put on hold. Some of us keep in contact via phone, some send out inspiring emails, and some dream of our next picnic.

We wish everybody the best of health and trust that you receive and share Ernst Friedel's 'Lied der Woche'. He inspires us all.

LAUGHTER IS THE BEST MEDICINE

Club President Reiny really stocked up on toilet paper at the start of the Pandemic back in March. He will have toilet paper for years to come. Recently, he was spotted buying a huge amount of fresh sausage and cheese during a shopping excursion. When asked if this purchase was because of the pandemic, he responded that it was the "Wurst Kase scenario!"

Just came home from a training session. Two hours on the treadmill did me was great. If only I could somehow stop the constant beeping and the irritated comments of the cashier.

I just washed a whole load of pyjamas. Now I have enough work clothes for the week.

Never in my wildest dreams did I imagine I'd go up to a Bank Teller with a mask on and ask for money!

My wife and I went to Home Depot wearing our masks. We got home and took the masks off. I brought the wrong wife home... pay attention people!

I just got pulled over by the Police officer. He said, "I can smell alcohol on your breath!"

I told him that's because he wasn't respecting Social Distancing.
