

# 11U - 14U DIVISIONS

Huntley Little League is a community-based organization and will offer competitive baseball opportunities to players within Huntley Little League boundaries.

*Exceptions can be made for players outside of the Huntley Little League boundary, but the player will need to go through a waiver process and may potentially not be able to participate in Little League World Series tournaments the first year.*

The 11U - 14U divisions will be decided based on tryouts

- The 47's will follow Little League age rules, not USSSA age rules
- For the Spring/Summer 2025 Season, the player's league age is their age on August 31st, 2025

Currently one team exists for each division. The Huntley 47's are looking to add additional teams and give the current coaches an opportunity to evaluate players both inside and outside of the organization.

## Tryouts

### 11U

Monday, June 24th  
5:30pm - 7:30pm
